

Young Adults Role Descriptions:

Set up/Tear Down:

ROLE: You are an important member of our team! You will help us prepare for our attendees' arrival to YA nights. Your role will include setting up the environment where our young adults will gather, such as any chairs, games, tables, lights, etc. If you enjoy tearing down, this role would also require you to take down items in the space and pack them away into boxes.

COMMITMENT: minimum one gathering per month and include either set up or tear down.

Welcome team:

ROLE: You are an important member of our team as you will be the first person any newcomer will connect with! You will be the person that will check them in and connect them to the wider young adult ministry. You will help guide them by answering any questions they may have about the ministry, and inform them where they can go (technologically) to get more information.

COMMITMENT: minimum one gathering per month.

Tech team:

ROLE: You are an important member of our team as you will have complete control over an area of tech! Whether it be lights, sound, or the computer, we are putting our trust in you to create a fun and active environment. It is recommended that you have some technological background, but more importantly it is important to have a heart that is open to learning and growing in this space. Your role would be to be a part of a team which works together to bring leadership to either the sound, lights, or visual portion of the YA ministry.

COMMITMENT: minimum one gathering per month.

Hospitality:

ROLE: You are an important member of our team as you will be helping bring atmosphere, ideas, and leadership to our young adult post ya.nights social time (we call it ya.hangs). This includes thinking through ideas on how to create a social atmosphere (board games, chat boards, etc), and what food would be beneficial to create friendliness.

COMMITMENT: minimum one gathering per month plus any planning.

Counsellors:

ROLE: You are an important member of our team as you will be walking alongside our young adults through various moments in life. Your role would be to be present during YA.Nights and retreats to build trust. We ask all counsellors to be a stage ahead of our young adults in order to help walk with them through experience.

COMMITMENT: minimum two gatherings per month.
